

## **FIRSTSOURCE SOLUTIONS CODE OF CONDUCT FOR PROHIBITION OF INSIDER TRADING**

### **INTRODUCTION**

Insider trading means dealing in Securities of a Company listed/traded on any stock exchange in India based on, or when in possession of, unpublished price sensitive information.

With a view to govern the conduct of insiders on matters relating to insider trading, the Securities and Exchange Board of India (“SEBI”) has formulated SEBI (Prohibition of Insider Trading) Regulations, 2015 (The “Regulations”). These Regulations would come into force on 15<sup>th</sup> May, 2015 and repeal the earlier Regulations issued by SEBI in this regard.

These Regulations require all listed companies to formulate a Code of Conduct to regulate, monitor and report trading by its employees and other connected persons towards achieving compliance with these regulations, adopting the minimum standards as set out in Schedule B to these Regulations without diluting the provisions of these Regulations in any manner.

Firstsource Solutions Limited (“the Company”) has formulated this Code of Conduct called Firstsource Solutions Code of Conduct for Prohibition of Insider Trading (“the Code”). The Code shall come into force w.e.f. 15<sup>th</sup> May, 2015 and will supersede the earlier Firstsource Solutions Code of Conduct for Prevention of Insider Trading, as approved by the Board of Directors of the Company which was effective since 31<sup>st</sup> October, 2008.

All the employees and other connected persons are advised to carefully go through and familiarise themselves with and adhere to these Regulations and the Code.

### **TITLE, COMMENCEMENT AND EXTENT**

- I. This Code is called Firstsource Solutions Code of Conduct for Prohibition of Insider Trading (“the Code”).
- II. The Code shall come into force w.e.f. 15<sup>th</sup> May, 2015 and will supersede the earlier Firstsource Solutions Code of Conduct for Prevention of Insider Trading, as approved by the Board of Directors of the Company which was effective since 31<sup>st</sup> October, 2008.
- III. This Code is applicable to the employees of the Company and other connected persons as defined in this Code.

## 1. DEFINITIONS

In this Code, unless the context otherwise requires,

“**Act**” means the Securities and Exchange Board of India Act, 1992.

“**Board**” means the Board of Directors of the Company.

“**Code**” means this Firstsource Solutions Code of Conduct for Prohibition of Insider Trading by Insiders as modified from time to time.

“**Compliance Officer**” means the Company Secretary of the Company reporting to the Board of Directors of the Company, and who shall be responsible for compliance of policies, procedures, maintenance of records, monitoring adherence to the rules for the preservation of unpublished price sensitive information, monitoring of trades and the implementation of the codes specified in these regulations under the overall supervision of the Board of Directors of the Company. In the absence of the Company Secretary, the CFO of the Company or any other officer of the Company as authorised by the Managing Director & CEO of the Company will act as the Compliance Officer.

“**Connected person**” means,-

(i) any person who is or has during the six months prior to the concerned act been associated with the Company, directly or indirectly, in any capacity including by reason of frequent communication with its officers or by being in any contractual, fiduciary or employment relationship or by being a director, officer or an employee of the Company or holds any position including a professional or business relationship between himself and the Company whether temporary or permanent, that allows such person, directly or indirectly, access to unpublished price sensitive information or is reasonably expected to allow such access.

(ii) Without prejudice to the generality of the foregoing, the persons falling within the following categories shall be deemed to be connected persons unless the contrary is established, -

(a) an immediate relative of connected persons specified in clause (i); or

(b) a holding company or associate company or subsidiary company of the Company; or

(c) an intermediary as specified in section 12 of the Act or an employee or director thereof; or

(d) an investment company, trustee company, asset management company or an employee or director thereof; or

(e) an official of a stock exchange or of clearing house or corporation; or

(f) a member of board of trustees of a mutual fund or a member of the board of directors of the asset management company of a mutual fund or is an employee thereof; or

(j) a concern, firm, trust, Hindu undivided family, company or association of persons wherein a director of the Company or his immediate relative or banker of the Company, has more than ten per cent. of the holding or interest;

*NOTE: It is intended that a connected person is one who has a connection with the Company that is expected to put him in possession of unpublished price sensitive information. Immediate relatives and other categories of persons specified above are also presumed to be connected persons but such a presumption is a deeming legal fiction and is rebuttable. This definition is also intended to bring into its ambit persons who may not seemingly occupy any position in the Company but are in regular touch with the Company and its officers and are involved in the know of the Company's operations. It is intended to bring within its ambit those who would have access to or could access unpublished price sensitive information about any company or class of companies by virtue of any connection that would put them in possession of unpublished price sensitive information.*

**“Immediate relative”** means a spouse of a person, and includes parent, sibling, and child of such person or of the spouse, any of whom is either dependent financially on such person, or consults such person in taking decisions relating to trading in securities.

**"Insider"** means any person who is:

- i) a connected person; or
- ii) in possession of or having access to unpublished price sensitive information.

*NOTE: Since “generally available information” is defined, it is intended that anyone in possession of or having access to unpublished price sensitive information should be considered an “insider” regardless of how one came in possession of or had access to such information. Various circumstances are provided for such a person to demonstrate that he has not indulged in insider trading. Therefore, this definition is intended to bring within its reach any person who is in receipt of or has access to unpublished price sensitive information. The onus of showing that a certain person was in possession of or had access to unpublished price sensitive information at the time of trading would, therefore, be on the person leveling the charge after which the person who has traded when in possession of or having access to unpublished price sensitive*

*information may demonstrate that he was not in such possession or that he has not traded or he could not access or that his trading when in possession of such information was squarely covered by the exonerating circumstances.*

- 3.2 The Specified Persons shall not advise, communicate, counsel, inform or pass on such information to any person, directly or indirectly, other than communication required to be made/done in the ordinary course of business, or under any law.
- 3.3 Unpublished Price Sensitive Information shall be handled on a "need-to-know" basis, i.e.,

unpublished Price Sensitive Information should be disclosed only to those who need the information to discharge their duty and/or functions.

3.4 Unpublished price sensitive information may be communicated, provided, allowed access to or procured, in connection with a transaction which entails:

- an obligation to make an open offer under the Takeover Regulations where the Board of Directors of the Company is of informed opinion that the proposed transaction is in the best interests of the Company; or
- not attracting the obligation to make an open offer under the takeover regulations but where the Board of Directors of the Company is of informed opinion that the proposed transaction is in the best interests of the Company and the information that constitute unpublished price sensitive information is disseminated to be made generally available at least two trading days prior to the proposed transaction being effected in such form as the Board of Directors may determine.

However, the Board of Directors shall require the parties to execute agreements to contract confidentiality and non-disclosure obligations on the part of such parties and such parties shall keep information so received confidential, except for the limited purpose and shall not otherwise trade in securities of the Company when in possession of unpublished price sensitive information.

3.5. Need to Know:

- I. "need to know" basis means that Unpublished Price Sensitive Information should be disclosed only to those who need the information to discharge their duty and whose possession of such information will not give rise to a conflict of interest or appearance of misuse of the information.
- II. All non-public information directly received by any employee should immediately be reported to the head of the department.

#### **4. LIMITED ACCESS TO UNPUBLISHED PRICE SENSITIVE INFORMATION**

4.1 All files, papers and records containing unpublished Price Sensitive Information should be kept secure.

4.2 In case of unpublished Price Sensitive Information being available in the computer files, the same should be secured in the appropriate manner.

#### **5. PREVENTION OF MISUSE OF UNPUBLISHED PRICE SENSITIVE INFORMATION**

5.1 Notwithstanding anything contained in the Code, the Designated Persons shall not engage in trading in Securities, whether on their own account, or on account of their immediate relatives or on the Company's account, and further shall ensure that their immediate relatives

shall also not engage in trading in Securities on their own account, if such Designated Person is in possession of any unpublished Price Sensitive Information.

## 6. TRADING PLAN

An insider shall be entitled to formulate a trading plan for dealing in securities of the Company and present it to the Compliance Officer for approval and public disclosure pursuant to which trades may be carried out on his behalf in accordance with such plan.

*NOTE: This provision intends to give an option to persons who may be perpetually in possession of unpublished price sensitive information and enabling them to trade in securities in a compliant manner. This provision would enable the formulation of a trading plan by an insider to enable him to plan for trades to be executed in future. By doing so, the possession of unpublished price sensitive information when a trade under a trading plan is actually executed would not prohibit the execution of such trades that he had pre-decided even before the unpublished price sensitive information came into being.*

Trading Plan shall:

- (i) not entail commencement of trading on behalf of the Insider earlier than six months from the public disclosure of the plan;

*NOTE: It is intended that to get the benefit of a trading plan, a cool-off period of six months is necessary. Such a period is considered reasonably long for unpublished price sensitive information that is in possession of the insider when formulating the trading plan, to become generally available. It is also considered to be a reasonable period for a time lag in which new unpublished price sensitive information may come into being without adversely affecting the trading plan formulated earlier. In any case, it should be remembered that this is only a statutory cool-off period and would not grant immunity from action if the insider were to be in possession of the same unpublished price sensitive information both at the time of formulation of the plan and implementation of the same.*

- (ii) not entail trading for the period between the twentieth trading day prior to the last day of any financial period for which results are required to be announced by the issuer of the securities and the second trading day after the disclosure of such financial results;

*NOTE: Since the trading plan is envisaged to be an exception to the general rule prohibiting trading by insiders when in possession of unpublished price sensitive information, it is important that the trading plan does not entail trading for a reasonable period around the declaration of financial results as that would generate unpublished price sensitive information.*

- (iii) entail trading for a period of not less than twelve months;

*NOTE: It is intended that it would be undesirable to have frequent announcements of trading plans for short periods of time rendering meaningless the defense of a reasonable time gap between the decision to trade and the actual trade. Hence it is felt that a reasonable time would be twelve months.*

- (iv) not entail overlap of any period for which another trading plan is already in existence;

*NOTE: It is intended that it would be undesirable to have multiple trading plans operating during the same time period. Since it would be possible for an insider to time the publication of the unpublished price sensitive information to make it generally available instead of timing the trades, it is important not to have the ability to initiate more than one plan covering the same time period.*

- (v) set out either the value of trades to be effected or the number of securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected; and

*NOTE: It is intended that while regulations should not be too prescriptive and rigid about what a trading plan should entail, they should stipulate certain basic parameters that a trading plan should conform to and within which, the plan may be formulated with full flexibility. The nature of the trades entailed in the trading plan i.e. acquisition or disposal should be set out. The trading plan may set out the value of securities or the number of securities to be invested or divested. Specific dates or specific time intervals may be set out in the plan.*

- (vi) not entail trading in securities for market abuse.

*NOTE: Trading on the basis of such a trading plan would not grant absolute immunity from bringing proceedings for market abuse. For instance, in the event of manipulative timing of the release of unpublished price sensitive information to ensure that trading under a trading plan becomes lucrative in circumvention of regulation 4 being detected, it would be open to initiate proceedings for alleged breach of SEBI (Prohibition of Fraudulent and Unfair Trade Practices Relating to the Securities Market) Regulations, 2003.*

The Compliance Officer shall review the trading plan to assess whether the plan would have any potential for violation of these regulations and shall be entitled to seek such express undertakings as may be necessary to enable such assessment and to approve and monitor the implementation of the plan.

The Trading Plan once approved shall be irrevocable and the Insider shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the securities outside the scope of the trading plan.

Provided that the implementation of the trading plan shall not be commenced if any unpublished price sensitive information in possession of the insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation and in such event the compliance officer shall confirm that the commencement ought to be deferred until such unpublished price sensitive information becomes generally available information so as to avoid a violation of sub-regulation (1) of regulation 4.

Upon approval of the trading plan, the compliance officer shall notify the plan to the stock exchanges on which the securities are listed.

## **6. REPORTING REQUIREMENTS**

### **Disclosure of holding by Directors and officers - Initial Disclosure**

6.1 (a) Every promoter, key managerial personnel and all the directors of the Company shall disclose their holding of securities of the Company as on the date of these regulations taking effect i.e. May 15, 2015, to the Company within thirty days of this date i.e. upto 14<sup>th</sup> June, 2015 (Annexure-I).

6.3 The Company shall notify the particulars of such trading to the stock exchanges on which the securities are listed within two trading days of receipt of the disclosure or from becoming aware of such information.

Explanation — It is clarified for the avoidance of doubts that the disclosure of the incremental transactions after any disclosure under this sub-regulation, shall be made when the transactions effected after the prior disclosure cross the threshold specified in clause 6.2 above.

### **6.4 Disclosure of Transactions by Other Connected Persons**

The Compliance Officer may, at his discretion, require any other connected person or class of connected persons to make disclosures of holdings and trading in securities of the Company (Annexure-IV) at such frequency as may be determined by him in order to monitor compliance with these regulations.

*NOTE: This is an enabling provision for the Company to seek information from those to whom it has to provide unpublished price sensitive information. This provision confers discretion on the Company to seek such information. For example, the Company may ask that a management consultant who would advise it on corporate strategy and would need to review unpublished price sensitive information, should make disclosures of his trades to the Company.*

### **6.5 Annual Disclosure of holdings by Designated Persons**

The Designated Persons shall report the level of holdings in securities of the Company held by them and their immediate relatives alongwith the details of trades executed during the financial year on an annual basis as on March 31 of every financial year, on or prior to April

Any other Designated Person who violates the Code shall be subject to disciplinary action, which may include freeze on salary, ineligibility for future participation in the stock option plans or suspension/termination of service/contract, or any other action as may be deemed fit by the Company.
- 7.3 The action by the Company shall not preclude SEBI from taking any action for violation of the Regulations.

## **8. INFORMATION TO SEBI IN CASE OF VIOLATION OF THE REGULATIONS**

In case any violation of the Regulation is observed by the Compliance Officer/Company, SEBI shall be informed of the same.

## **9. TRADING WINDOW**

- 9.1 The “Trading Window” for the purpose of this Code shall mean the period during which trading in Securities of the Company is permitted.
- 9.2 Subject to clause 5.1 of the Code, Designated Persons and their immediate relatives shall engage in trading in Securities of the Company only when the Trading Window is open. If such designated person is in possession of unpublished price sensitive information, he will not be allowed to trade in Securities of the Company even if the Trading Window is open.
- 9.3 The trading window shall be closed when the Compliance Officer determines that a Designated person or class of Designated persons can reasonably be expected to have possession of unpublished price sensitive information. Such closure shall be imposed in relation to such securities to which such unpublished price sensitive information relates. Unless otherwise specified by the Compliance Officer, the Trading Window shall be, inter alia, closed 21 days prior to Declaration of financial results (quarterly, half-yearly and annual) and Declaration of dividends (interim and final) and at any other time as designated by the Compliance Officer in consultation with the Managing Director and CEO or the CFO of the Company, if any Price Sensitive Information is unpublished, including but not limited to the following:

Unless otherwise specified by the Compliance Officer, the Trading Window shall be opened 48 hours after the information relating to items specified in clause 9.3 above is made public. The Trading Window shall also be applicable to any person having contractual or fiduciary relation with the Company, such as auditors, accountancy firms, law firms, analysts, consultants etc., assisting or advising the Company.
- 9.5 When the Trading Window is open, trading by Designated Persons shall be subject to pre-clearance by the Compliance Officer, if the value of the proposed trade exceeds the threshold as mentioned in clause 10.1 below. No Designated Person shall apply for pre-clearance of any proposed trade if such Designated Person is in possession of unpublished price sensitive information even if the Trading Window is not closed.
