

Disclaimer

Certain statements in this presentation concerning our future growth prospects are forwardlooking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in BPO services including those factors which may affect our cost advantage, wage increases, our ability to attract and retain highly skilled professionals, time and cost overruns on client contracts, client concentration, our ability to manage ramp-ups and growth, our ability to manage our international operations, reduced demand in our key focus verticals, disruptions in telecom infrastructure and technology, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, performance of our subsidiaries, withdrawal of government fiscal incentives, political instability, legal restrictions on raising capital and acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry. Firstsource may, from time to time, make additional written and oral forward-looking statements, including our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.

GROWTH MOMENTUM CONTINUED

- Constant currency revenue growth of 38.5% in constant currency YoY
- Sales momentum remains strong. 17 new clients added this quarter
