OUR VALUES

I-N-F-I-C-S

Infinite instills a strong sense of values amongst employees through the spirit of where each letter has a strong meaning

01

Ignite

Thought, leadership, passion and innovation.

02

Nurture

A positive and creative environment for holistic development of human capital.

03

Foster

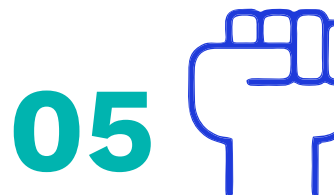

Freedom of thought, expression and action.

04

Inspire

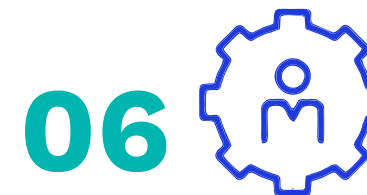

Integrity and strength of character in interactions with customers.

05

Challenge

I, the individual and we, the team, to achieve excellence.

06

Support

Social causes through compassion and collaboration.

Giving Back To The Society

Working with the Infinite Foundation, a trust that consolidates the company's social responsibility initiatives under one umbrella, we sponsor various CSR activities to drive sustained developmental impact.

iVerve

The employees of Infinite support, conduct and manage activities aimed at social causes through I-Verve, the Infinite employees' club. This club coordinates and organizes Infinite's employee contributions to various causes like drought relief and blood donation camps, etc.

Parikrma

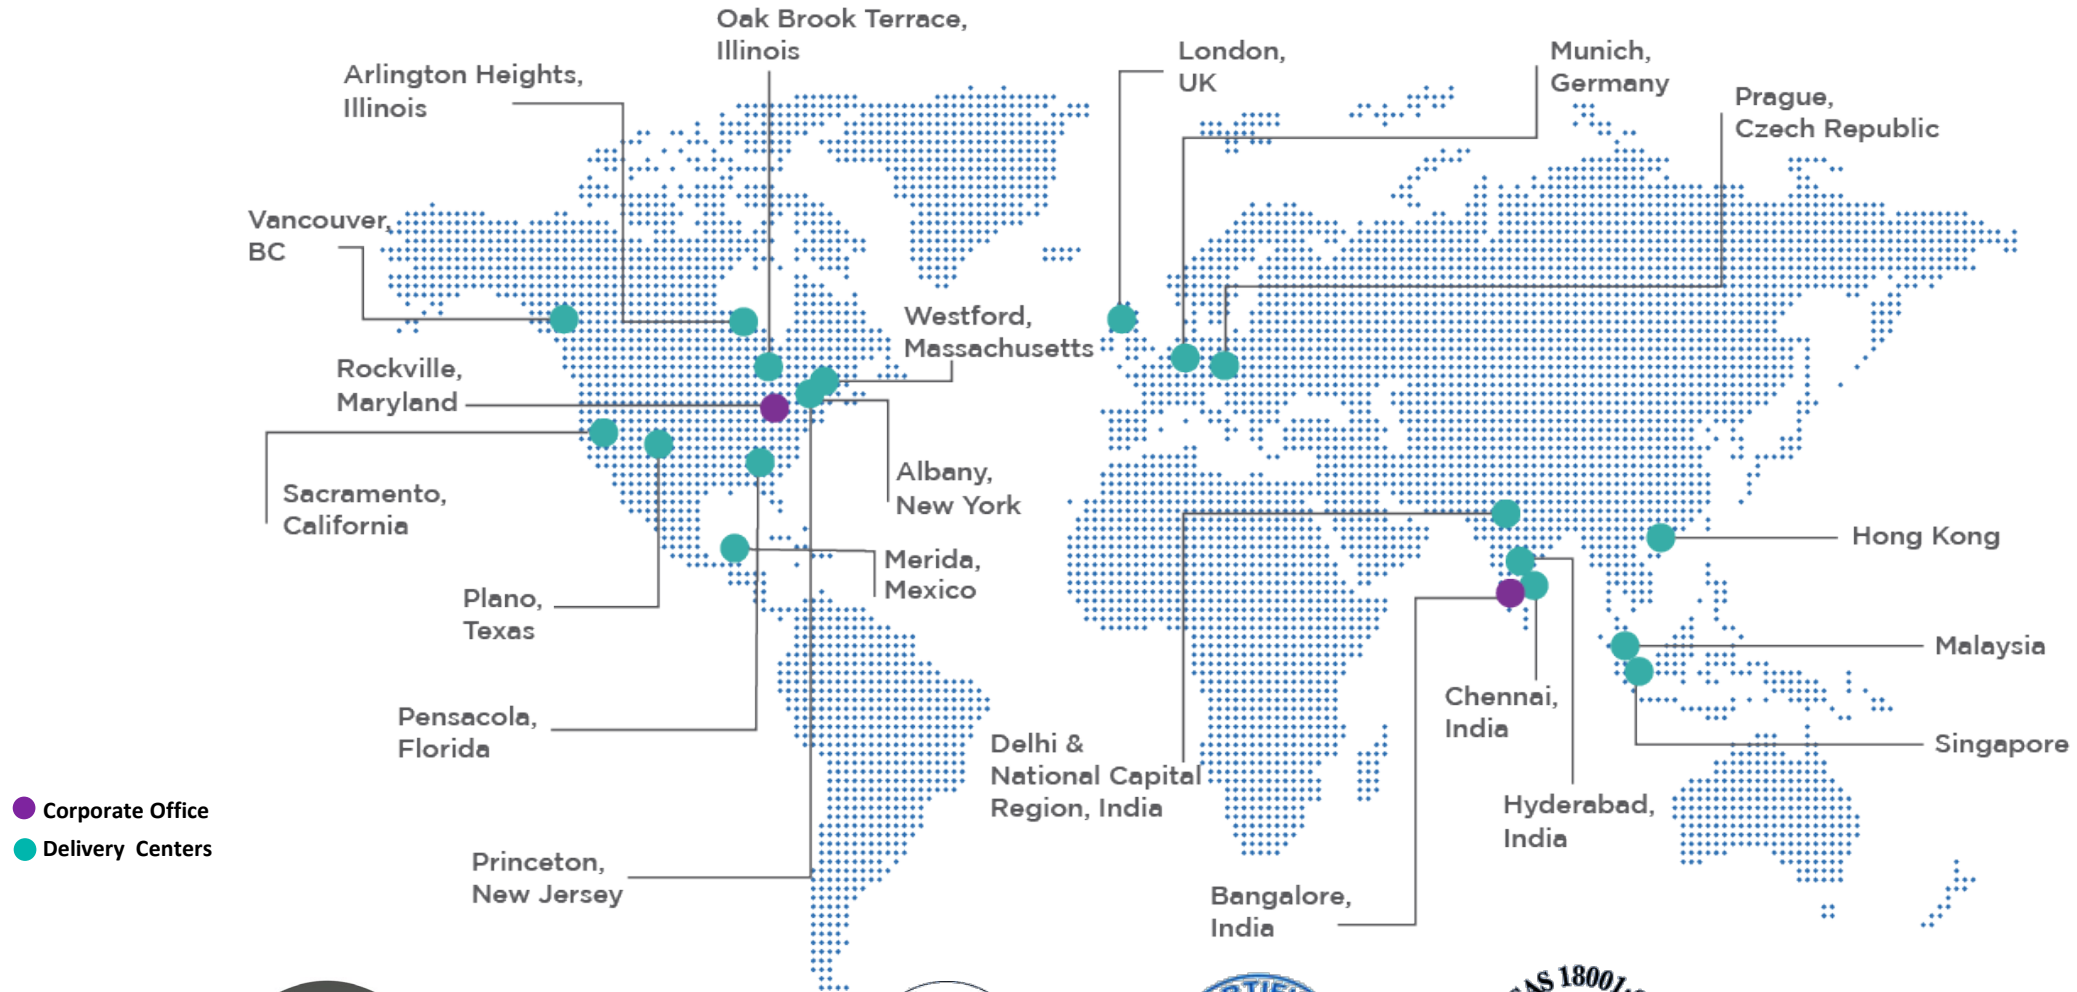

Infinite extends support via sponsorship to the students of Parikrma – a program that involves contributing financially and in-kind towards the welfare of underprivileged children, helping them meet their nutrition, healthcare and educational needs.

The Young Entrepreneurs Program

To nurture the spirit of entrepreneurship in youngsters, we work with The Young Entrepreneurs Program with TiE DC chapter. The program aims to stimulate creativity and entrepreneurial spirit in high school students.

INFINITE STRATEGY

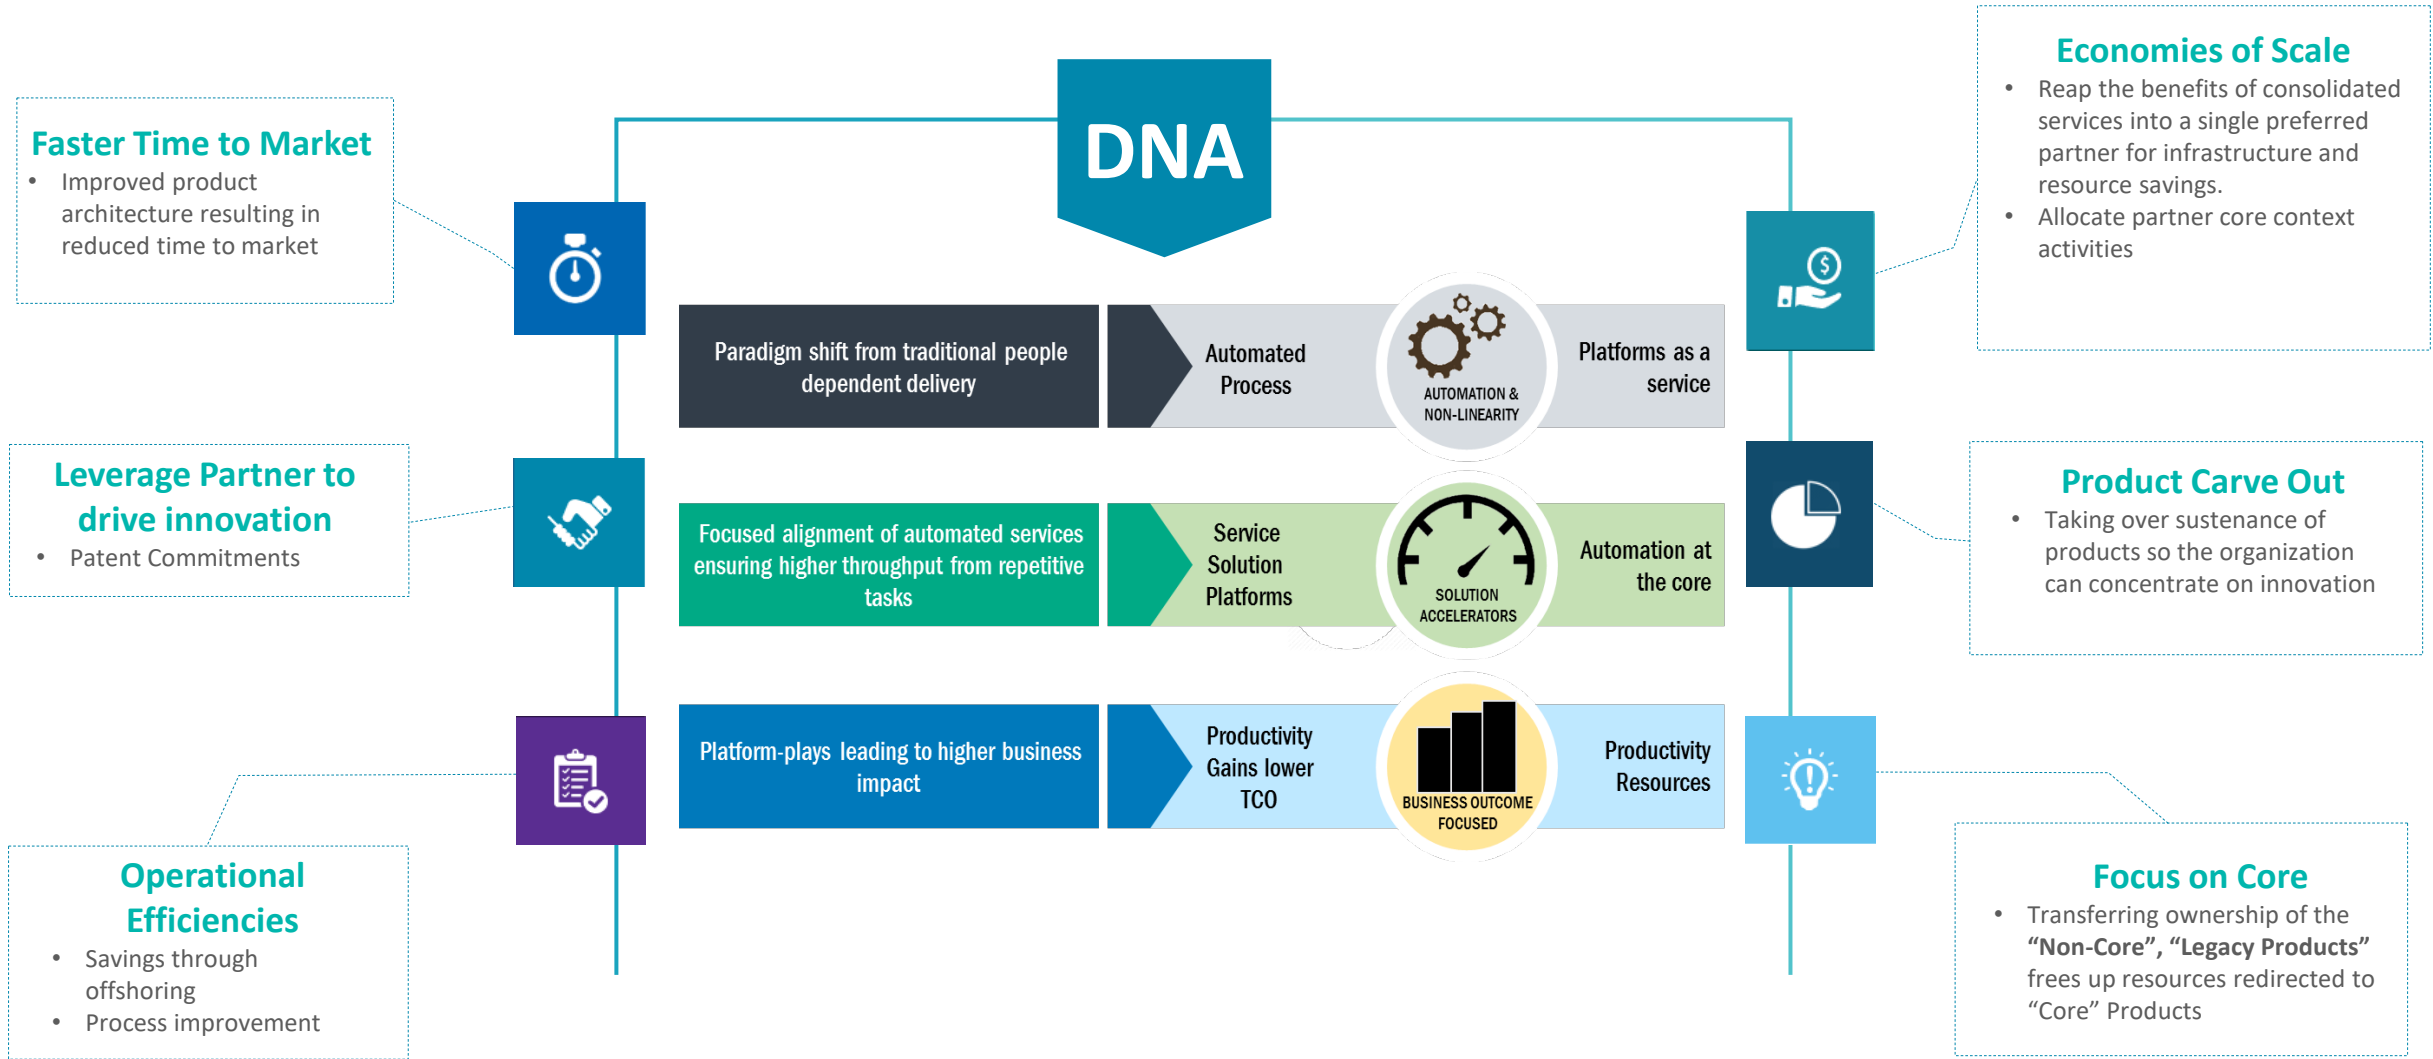

Building A Future-Ready Enterprise

We are at the cusp of the third chapter of the **Digital Transformation** journey – the era of **autonomy** and of **hyper-innovation**. This is the era where the best of **Gen X, Y, and Z** will work together to deliver exceptional technological advancements. Aligning your growth strategy with this evolving people landscape and the opportunity it presents in terms of technology adoption will play a critical role in building a future-ready enterprise.

We help our customers successfully morph into this future. By accelerating connectivity, creating new talent models, and driving the adoption of cognitive technology and embedded AI, we help organizations deliver superior experiences for consumers.
